PAVER MEMORIAL PROGRAM

As part of our ongoing restoration campaign ***“Honoring our Past...Building our Future”*** we are rebuilding our St. Ann Shrine and creating a brick paver memorial that will span the area in front of the shrine to the church steps and up the rectory walkway.

So far, 2015 has been an extraordinary year in our church’s history with the commencement of Phase 1 of the exterior restoration, the 90th Anniversary of the Church this November, the successful 105th Annual St. Ann Feast and our approval to the NJ State Registry for Historic Sites.

What better way to celebrate these remarkable events in our church’s history than by participating in our restoration campaign through our paver memorial fundraiser.

Be among the many parishioners and friends to purchase a brick paver, in memoriam, for a loved one or in special recognition of a family member or friend.

The brick paver will be engraved with the name and selected phrase that will become a permanent lasting tribute and legacy at St. Ann Church.

This brick paver memorial program is a wonderful way to remember or honor someone who has been a blessing in our lives.

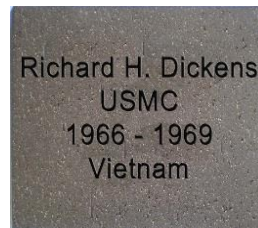

PAVERS SIZES

The pavers will be available in two sizes, 4”x 8” and 8”x 8”.

The 4”x 8” paver, will have 3 lines of lettering will be available with a maximum of 13 characters per line.

The 8”x 8” paver will have 4 lines of lettering available also with a maximum of 13 characters per line.

PAVER COST

Size	Cost
4” x 8”	\$500
8” x 8”	\$1000

The brick pavers will be sold in phases. There will be a maximum of 300 pavers sold in the first phase. Order forms will be provided at the program is launch.

PAVER PLACEMENT

As the brick pavers will be sold in phases, we are working with our architect to ensure the placement of each paver will adhere to a specific pattern.

Once the pattern has been designated for each phase, a color rendering will be shared to illustrate the area (not specific location) which each purchased paver will be carefully placed.

LEAVE A LEGACY

Purchase an engraved paver to honor the memory of a loved one. A personalized brick paver makes a unique gift while leaving a lasting legacy.

The proceeds from the paver sales will go directly to the restoration campaign to ensure our church lives on.

Please prayerfully consider this program and pave the way for generations to come to worship at our beautiful St. Ann Church.
